

Uppathi Lohitha Venkata Varshitha

Email Id: varshithareddy101@gmail.com Phone No: +91 9014934324

Career Objective:

A highly driven and enthusiastic Computer Science Engineering student with strong foundational knowledge in programming and problem-solving. Seeking a challenging role in a forward-thinking organization where I can contribute effectively, continuously learn, and grow with emerging technologies in the IT industry.

Academic Qualification:

B.Tech – Computer Science and Engineering-AI

Year of Passing: 2026

College: KKR & KSR Institute of Technology and Sciences

University: JNTUK

CGPA: 7.75

Inter

Year of Passing: 2022

College: Sri Chaitanya Junior College

Board: State Board of secondary education

Percentage: 69%

SSC – 10th Class

Year of Passing: 2020

School: Naveena High School

Board: Board of Secondary Education

Percentage: 76 %

Technical Skills:

Programming Languages: C, Java, Python

Data Structures and Algorithms

ACADEMIC PROJECTS

Movie Recommendation System (Machine Learning) | Developed a recommendation engine using machine learning algorithms based on the IMDB dataset. Implemented data preprocessing, Count Vectorizer, and Cosine Similarity techniques to analyze relationships between films. Created personalized movie suggestions based on title similarity, genre preferences, and viewing patterns using pandas and NumPy.

❖ **Utility Transfer Services**

Developed a system to streamline the transfer of utility services between customers, ensuring efficient service continuity and accurate data management. Focused on improving customer satisfaction and reducing manual processing time through process automation and clear service workflows.

Certifications:

IBM Digital 101 Journey - Artificial Intelligence Fundamentals (IBM)

Generative AI : certified by Blackbucks

CYBERSECURITY & RISK MANAGEMENT : certified by AIMERS

Strengths:

- Strong leadership and communication skills
- Ability to work effectively in teams
- Dedicated and hardworking
- Quick learner and adaptive to new technologies

Languages Known:

- Telugu
- English

Hobbies & Interests:

- Exploring new technologies and tools in the software field
- Reading tech blogs and watching educational content

DECLARATION:

I hereby declare that the above information is true and correct to the best of my knowledge.
